

## Why We Need Party Politics In The Isle Of Man

The Liberal Vannin Party was formed by Peter Karran in August 2006

The Party has nine candidates standing in the General Election

The Liberal Vannin Party aims to bring true democracy, accountability, and audit into the Manx Government - offering a real choice to voters

We have a government by patronage and are at risk of losing a lot of social advantages we currently have here on the Isle of Man

Community Politics are a vital part of the democratic process and it is only by your participation that progress can be made

## MINISTERIAL MISRULE - WHAT YOU CAN DO ABOUT IT

There are Ministers who in the past years have helped to drag the Island's international reputation through the mud, and have given you scandal after scandal including;

- \* The Ramsey Cottage Hospital Scandal \* The Health Services Funding Scandal
- \* The IRIS Scandal \* The Home Affairs Scandal
- \* The Mount Murray Scandal \* The Housing Scandal
- \* The E.Habitant Scandal \* The Transport Scandal
- \* The Film Studio Scandal \* The Monopolies Scandal

"The sense and context of the allegations made related primarily to maladministration and weakness in government allied to lack of transparency. However, we do find that there was corruption of the system of government by reason of consistent maladministration and weakness, allied to wrongdoing by officers, and the lack of transparency in government dealings. Because the weakness and failures by government in the handling of those matters continue in significant degree with a still present belief, in many areas of current influence, that there was really little wrong with the system of government, and there was simply negligence or misconduct by some limited number of individuals who were operating the system. Such opinions are seriously misconceived." **Nigel McLeod QC**
